EIGHT YEARS OF SUFFERING CURED BY DR. WILLIAMS' PINK PILLS.

A Washington Woman Relates an Experience That Will Be of Value to All Pain Burdened Women Everywhere.

If you are approaching the fortieth year in a run-down condition, you will be interested in reading of the benefit that Mrs. John Uter, of Puyallup, Wash., received from Dr. Williams' Pink Pills after other treatments had failed to help her. She says: "I suffered for eight years from all the pains and sickness that women of my age are subject to. I was able to work only part of the time and often could just drag around. Most people would have given up and gone to bed. I was so nervous that I could not get much sleep and was subject to headaches and dizzy spells. My stomach was out of order all of the time and I was troubled with gas forming on it. I would often have smothering spells when I could not raise myself up."

"I took a great many kinds of medicines but found no relief until I followed a friend's advice and tried Dr. Williams' Pink Pills. They helped me right away. I could sleep better, was not so nervous and became stronger. I used the pills for some time and was entirely cured. "Since then I have always had Dr. Williams' Pink Pills in the house. My husband had a severe case of inflammatory rheumatism which settled in his hands and feet. A few boxes of the pills cured him and he has never had a return of the disease."

As most of the diseases from which women suffer are directly caused by a lack of blood, Dr. Williams' Pink Pills have been found unequalled in the treatment of anemia, green sickness, delayed development, after-effects of childbirth and leucorrhea. Our free booklet, "Plain Talks to Women," will be sent to any suffering woman upon request.

If you have failed to get more than temporary relief from your suffering, the treatment is most likely not a blood builder. Do not neglect then to remove the cause of your trouble but give Dr. Williams' Pink Pills a good trial.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

MAY DAY PLANS OF ART LEAGUE

Grand Fete to Be Held at Waikiki
Home of Governor
Cleghorn.

The celebration of the first-day of May dates back to the Middle Ages and the custom of holding a May Day festival is believed to have sprung from the Roman festival of Floralia (the feast of flowers) which began on the twenty-eighth of April and lasted until the first of May.

Chaucer and Shakespeare mention May Day and Henry VIII. and Queen Catherine of Aragon celebrated it. In England the most beautiful girl of the village is chosen to act as the queen for the day and in Germany the wildest and handsomest youth presides over the festival. In Germany and Scandinavia the custom is dying out, though in Denmark the peasants still celebrate, beginning at sunrise on the morning of the first of May. The German peasants while carrying on their May Day games imitate the life at court and in the castle not altogether without satire, it is said.

In America the day is given over almost entirely to the children and in those States which have the four seasons it is a beautiful sight to see them return from the woods laden with the first wild flowers of spring. The little girls look forward for weeks to the flower gathering and although the boys try to make out it means nothing to them but the commencement of the summer school vacation they take just as big a part in funmaking as anyone when the day arrives.

In Hawaii it does not really seem necessary to celebrate the birth of the flowers for they are perpetually here. Because there is no long flowerless winter to whet the appetite for blossoms should be no excuse for not having a day of rejoicing each year.

The members of the Kilohana Art League are planning to hold a gala May Day fete on the afternoon of Saturday, the thirtieth of April (as the first of May falls on Sunday) from two until six o'clock in the afternoon at Aiea, the beautiful Waikiki place of ex-Governor Cleghorn.

No more beautiful setting than Aiea could be found for an out-of-door fete, and the committee chosen for the decoration and arrangements throughout the grounds is headed by the ex-governor who will know just where to place each booth to the best advantage.

There is to be a May Pole around which a score of little maids will dance and unwind its pretty garland streamers. Mrs. Gunn is arranging this part of the program and there is no one better fitted for it. The members of the College Club will attend attired in costumes of the period of Chaucer. Both a quintet club and the band will play during the afternoon, and there will be all kinds of booths containing flowers, candy, ice cream, lemonade and souvenirs.

Committee on grounds, Hon. A. S. Cleghorn, Mrs. Schaefer, Mr. J. W. Gilmore; committee on finance, Mr. A. Gattley, Mrs. Galt, Miss McIntyre; committee on booths, Mr. Newcomb, Mrs. Dillingham, Mrs. E. A. Mott-Smith; committee on entertainment, Mrs. Henry Bicknell, Mrs. A. B. Tucker, Mr. Hitchcock; publicity, Mr. Chas. Frazier, Mrs. Marshall, Mrs. Hendrick; Booths: Art museum, Mrs. E. A. Jones; ice cream, Mrs. Newcomb, Mrs. Du Roi, Mrs. Corwin P. Rees; lemonade, Mrs. C. Booth; flowers, Mrs. Gignoux, Mrs. Alexander Lindsay, Miss Vera Damon; candy, Mrs. Arthur Wall, Mrs. J. A. Gilman, Mrs. J. P. Cooke; souvenirs, Miss Grace Robertson, Miss Anna Ward, Mr. A. R. Gurry, Jr.

THE DAILY CRAST IN THE DIVORCE COURT

Four suits for divorce was filed in the circuit court yesterday. They were about the usual run. Alono Bolin is sued by his wife on the ground of non-support. Bolin, it seems, gets out of one mess only to get into another. Yesterday the case against him in the United States court, wherein he was charged with tampering with government property, was not pressed. Now he is defendant in a divorce case.

Kandia Gordon sues Kendra Iye for divorce on the ground of desertion. Kendra Maria, in her suit for divorce from Joe Maria, charges him with treating her with extreme cruelty, beating, kicking and choking her when it so pleases him, and even threatening to kill her.

The same complaint is made by Agn. Sumaza against Mitsuki Sumaza, and to extreme cruelty she adds the charge that he not only makes her earn the living for both of them and takes her money for booze and gambling, but also tried to make her go to jail to save a life of shame in order to make money for him to spend.
